

A portrait of Barry Morgan, a man with long, wavy grey hair and a prominent mustache. He is wearing a light-colored jacket over a patterned scarf with orange, green, and white designs. He has a wide, enthusiastic smile, showing his teeth. The background is a solid, vibrant red.

Barry Morgan

fanzine

A collage featuring a man in a red velvet suit and a peacock feather pattern. The man is shown in two positions: a smaller version in the top left and a larger, more expressive version on the right. The background is a complex collage of patterns, including peacock feathers, floral motifs, and abstract shapes. The text is overlaid on the left side of the image.

To those who think PLAYING MUSIC IS HARD

notes and you've playing the beginning of the "Merry Widow" Waltz. Look at the diagram. The first note of the music is "D." Following the dotted line to the keyboard you'll find "D" is the white key between the two black keys near the middle of the keyboard. Now read below how you can learn to play any instrument quickly and easily.

Just a few cents a day!
 Music is a tedious grind. It isn't exciting scales and monotonous getting started toward musical any method you can now learn teacher—for a few cents a day.

Learn by Playing
 from the famous U.S. School of Music, clear diagrams, and all the music you need. You learn to play by playing real tunes by note. First you are told how to do a thing. Then a picture shows you how. Then you do it yourself and hear it. Remember, don't confuse our method with...

SUCCESS!
