

Animal Haiku

Cats on the Internet Haiku

Cat at market stall
on a throne of garlic cloves
new religion born

Only Life Haiku

Once nothing but slime
For a billion years on earth
Sounds like better times

What's Missing? Haiku

Raccoon crosses my path
Something isn't quite right
She has lost her tail

Black Bird Graffiti Haiku

Throw bread at me please
The oldest pieces you have
Let none go to waste

New Roommate Haiku

A large spider web
Woven across the front porch
Let's use the side door

Who left this mess? Haiku

squirrel in garbage
a rat with a puffy tail
trash in driveway
