# ORIGIN STORY

## part one

So, you might be wondering, "Why Sugar Plum Sapphic?" I'll tell you. I play piano, and one of my favourite pieces is The Dance of the Sugar Plum Fairy. However, "fairy" is slang for "a gay man" and I am neither. Hence, "sapphic" replaces "fairy" and my gender is restored and my love of women celebrated. Thank you.

Similarly, you might be pondering why someone would call themselves "One Kidney Bean"...

An interesting fact about me is that I was born with only one kidney!

Also, I'm plant-based so I eat a lot of kidney beans. Also also I refer to people as beans. Yes, it's a PUN.
